Estimates of Jowar Production

*397. DR. SHRIKANT RAMCHANDRA JICHKAR:
SHRI SURINDER KUMAR SINGLA:

Will the Minister of AGRICULTURE be pleased to state:

(a) the estimates of Jowar production in the Kharif season of the current year;

(b) the demand for Jowar in our country;

(c) the Jowar producing States and their production for the last three seasons; and

(d) Government's policy with respect to Jowar?

THE MINISTER OF AGRICULTURE (SHRI BALRAM JAKHAR): (a) According to available information, the production of Kharif Jowar in the current year is expected to be 5.68 million tonnes.

(b) The demand for Jowar in the country varies from year to year depending upon its production, availability of other cereals, growth in population, increase in per capita income, prices of Jowar relative to other cereals etc. As such, separate estimates of demand for Jowar are not being prepared.

(c) A statement showing major Jowar producing States and their production during 1992-93 to 1994-95 is annexed. (See below)

(d) The Government's policy with respect to Jowar is to raise its production through increase in yield per hectare. In order to increase the production and productivity of Jowar, a centrally sponsored scheme namely, Integrated Cereals Development

Programme — Coarse Cereals (ICDP—Coarse Cereals) is being implemented in six States, namely, Gujarat, Karnataka, Madhya Pradesh, Maharashtra, Rajasthan and Sikkim.
